AN ACT to amend the Indiana Code concerning pensions.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 5-10.2-2-11, AS AMENDED BY P.L.246-2005, SECTION 49, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 11. (a) Based on the actuarial investigation and valuation in section 9 of this chapter, each board shall determine:

- (1) the normal contribution for the employer, which is the amount necessary to fund the pension portion of the retirement benefit;
- (2) the rate of normal contribution;
- (3) the unfunded accrued liability of the public employees' retirement fund, the pre-1996 account, and the 1996 account, which is the excess of total accrued liability over the fund's or account's total assets, respectively; and
- (4) the rates of contribution for the state expressed as a proportion of compensation of members, which would be necessary to:
 - (A) amortize the unfunded accrued liability of the state for thirty (30) years or for a shorter time period requested by the budget agency or the governor; and
 - (B) prevent the state's unfunded accrued liability from increasing.

(b) Based on the information in subsection (a), each board may determine, in its sole discretion, contributions and contribution rates for individual employers or for a group of employers.

(c) The board's determinations under subsection (a):

- (1) are subject to section 1.5 of this chapter; **and**
 (2) **for an employer making a contribution to the Indiana state teachers' retirement fund, may not include an amount for a retired member of the Indiana state teachers' retirement fund for whom the employer may not make contributions during the member's period of reemployment as provided under IC 5-10.2-4-8(e).**

SECTION 2. IC 5-10.2-3-1, AS AMENDED BY P.L.2-2006, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 1. (a) **Except as provided under IC 5-10.2-4-8(e)**, each member's creditable service, for the purpose of computing benefits under this article, consists of all service in a position covered by a retirement fund plus all other service for which the retirement fund law gives credit.

(b) No member may be required to pay any contributions for service before the member is covered by this article as a condition precedent to receiving benefits under this article. However, the member must furnish proof of the service to the board of the fund under which the member claims service.

(c) A member who has past service as an employee of the state or a participating political subdivision in a position which was not covered by the retirement fund is entitled to credit for this service if the position becomes covered before January 1, 1985, by the Indiana state teachers' retirement fund, the public employees' retirement fund, or the retirement fund for the state board of accounts and if the member submits proof of the service to the secretary of the fund in which the member claims service.

(d) A member who has past service in a position that was not covered by the retirement fund is entitled to credit for this service if the position becomes covered after December 31, 1984, by a fund while the member holds that position or another position with the same employer and if the member submits proof of the service to the director of the fund in which the member claims service.

(e) The proof required by this section must:

- (1) be submitted in a form approved by the director;
- (2) contain dates and nature of service and other information required by the director; and
- (3) be certified by the governing body or its agent.

(f) A member who is a state employee is entitled to service credit for the time the member is receiving disability benefits under a disability plan established under IC 5-10-8-7.

(g) If a participant in the legislators' defined benefit plan does not

become entitled to a benefit from that plan, the PERF board or the TRF board shall include the participant's service in the general assembly in the determination of eligibility for, and computation of, benefits under PERF or TRF at the time the participant would be eligible to receive benefits under PERF or TRF. After benefits commence under PERF or TRF with the general assembly service included, the participant's general assembly service may not be used for the computation of benefits under IC 2-3.5-4.

(h) A member may receive service credit for all or a part of the member's creditable service in another governmental retirement plan under IC 5-10.3-7-4.5 and IC 5-10.4-4-4. A member may not receive credit for service for which the member receives service credit in another retirement plan maintained by a state, a political subdivision, or an instrumentality of the state for service that PERF or TRF would otherwise give credit.

(i) A member may use all or a part of the member's creditable service under PERF or TRF in another governmental retirement plan under the terms of the other plan. Creditable service used under the other governmental retirement plan may not be used in PERF or TRF.

SECTION 3. IC 5-10.2-3-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 2. (a) Subject to IC 5-10.2-2-1.5, as used in this section, "compensation" means:

- (1) the basic salary earned by and paid to the member; plus
- (2) the amount that would have been a part of the basic salary earned and paid except for the member's salary reduction agreement established under Section 125, 403(b), or 457 of the Internal Revenue Code.

(b) Except in cases where:

- (1) the contribution is made on behalf of the member; or
- (2) **a retired member of the Indiana state teachers' retirement fund may not make contributions during a period of reemployment as provided under IC 5-10.2-4-8(e);**

each member shall, as a condition of employment, contribute to the fund three percent (3%) of his compensation.

(c) **Except as provided under IC 5-10.2-4-8(e)**, a member of a fund may make contributions to the member's annuity savings account in addition to the contributions required under subsection (b). The total amount of contributions that may be made to a member's annuity savings account with respect to a payroll period under this subsection may not exceed ten percent (10%) of the member's compensation for that payroll period. The contributions made under this subsection may be picked-up and paid by an employer as provided in subsection (d).

(d) In compliance with rules adopted by each board, an employer, under Section 414(h)(2) of the Internal Revenue Code, may pick-up and pay the contributions under subsection (c), subject to approval of the board and to the board's receipt of a favorable private letter ruling from the Internal Revenue Service. The employer shall reduce the member's compensation by an amount equal to the amount of the member's contributions under subsection (c) that are picked-up by the employer. Each board shall by rule establish the procedural requirements for employers to carry out the pick-up in compliance with Section 414(h)(2) of the Internal Revenue Code.

(e) A member's contributions and interest credits belong to the member and do not belong to the state or political subdivision.

SECTION 4. IC 5-10.2-3-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 3. **(a) This section does not apply to a member of the Indiana state teachers' retirement fund who, after June 30, 2007, is reemployed more than ninety (90) days after the member's retirement in a position covered by the Indiana state teachers' retirement fund.**

~~(a)~~ **(b)** Members' contributions, other than members' contributions paid on behalf of a member, shall be deducted from their compensation even if the net compensation to the member is less than the statutory minimum.

~~(b)~~ **(c)** The payment of a member's compensation minus the deduction constitutes a complete discharge of all claims for services rendered by the member during the period covered by the payment, except the claim for benefits under this article.

(b) This subsection does not apply to a member who is employed by the department of education **or after June 30, 2007, to a member of the Indiana state teachers' retirement fund who is reemployed more than ninety (90) days after the member's retirement in a position covered by the Indiana state teachers' retirement fund.** If a member who is receiving retirement benefits and who has not attained the Social Security normal retirement age for unreduced

However, employer contributions shall be made throughout the period of reemployment. The earnings limitation under this subsection does not apply to a member who has attained the Social Security normal retirement age for unreduced benefits.

(c) If a member who is receiving retirement benefits is reemployed in a position covered by this article not more than ninety (90) days after the member's retirement, the member's retirement benefits shall stop, the member shall begin making contributions as required by IC 5-10.2-3-2, and employer contributions shall be made throughout the period of reemployment.

(d) **This subsection does not apply after June 30, 2007, to a member of the Indiana state teachers' retirement fund who is reemployed more than ninety (90) days after the member's retirement in a position covered by the Indiana state teachers' retirement fund.** If a retired member is reemployed in a position covered by this article, section 10 of this chapter applies to the member upon the member's retirement from reemployment.

(e) **The following apply to a member of the Indiana state teachers' retirement fund who, after June 30, 2007, is reemployed more than ninety (90) days after the member's retirement in a position covered by the Indiana state teachers' retirement fund:**
